

Donation Application

Rodda Paint serves the Oregon and Washington markets with Paint & Decor products for the homeowner and commercial customer. Rodda receives donation requests from many sectors of the community and is proud to serve those charitable organizations that are consistent with our corporate goals and regional interests.

This policy and application is offered to assist the charitable organization desiring support in securing donations for their project. We encourage your group to file this request to help Rodda support those charitable projects consistent with its corporate goals and regional interests.

Donations are made to private, nonprofit, and tax-exempt organizations with certified status and to qualifying public groups. Rodda does not entertain requests for monetary support of organizations or projects. Donations will be considered under the following criteria.

Donations of paint will be offered from mis-tint inventory available at various store locations and from the factory. Other materials (brushes, tape, window coverings, wallpaper) will be sold at our lowest contractor pricing. Paper painter hats, stir sticks and discontinued wallpaper books are available on a limited basis.

All applications will receive equal consideration on a timely basis. Incomplete applications cannot be processed.

Mail applications to:

Donations & Charitable Review
Rodda Paint Company
6107 N Marine Drive
Portland, Oregon 97203

FAX to:
503-737-6004

Donations are never made: directly to designated individuals or religious organizations for church sponsored programs limited to church memberships; for political campaigns; to influence legislation; to purchase tickets for fund raising benefits.

Applications are usually not considered: for services that the public sector should be expected to provide; to establish endowments or memorialize individuals; for services outside the communities in which Rodda operates retail facilities.
