

Protector XL-100 Exterior Finishes

W 25 YEAR RARRANTY

PROTECTOR XL-100 LIMITED 25 YEAR WARRANTY

Congratulations for choosing Rodda Paint's Protector XL-100 as your exterior finish. Rodda Paint Co. offers this 25 Year Warranty for Protector Exterior Paints subject to the conditions and exclusions contained in this warranty document against chipping, peeling and blistering from the date of purchase.

Conditions:

1. This warranty is valid only when Protector XL-100 paints are applied at the specified mil thickness requirements and applied to vertical wood or fiber cement siding, wood composites, shingles, trim and fascia. This warranty does not apply to fences, decks, stairs and other horizontal or non-wood substrates.
2. Notice of a Protector XL-100 Warranty project must be given to Rodda paint representatives prior to the start of the product application.
3. If this product fails to perform as described, Rodda Paint shall provide at its own discretion and expense, sufficient replacement product(s) to repaint the affected area or refund the purchase price equivalent to product purchase totals used on the affected area.
4. The acceptable application requires two (2) coats applied for a minimum total of three (3.0) mils of the dry film thickness, over a properly prepared and primed, sound substrate as described on the label instructions, including the dry times observed between applications.
5. The surface to be painted must be clean, dry and free from loose and chalking materials. All mold and mildew must first be removed. New or unfinished wood must be primed with Rodda recommended primer, applied in accordance with Rodda product label instructions.

Exclusions:

1. Rodda Paint and its affiliates, Cloverdale paint and dealers, shall not be held liable for any failure relating to improper care or application, excessive or uncontrolled moisture content of the substrate, fungi and algae growth, mold and mildew growth, efflorescence or any bacteria or other organism on any surface, unsuit able or improperly prepared surfaces, or less than the recommended amount of product applied as per label instructions.
2. This warranty is rendered invalid if coating failure is caused by defective substrates delamination of the previous underlying coating system or damaged caused by impact of foreign objects.
3. This warranty is rendered invalid if coating failure is caused by alteration of this product, misuse, improper storage or thinning, abuse or neglect, applied after shelf-life time limits expired, or if damage to the coating is caused by power washing or natural disasters.
4. This limited warranty does not include any labor costs for the application of any paint. The maximum limited liability of Rodda Paint and affiliates, if any, shall be limited to compensation amounts not to exceed the original purchase price of the product. To the maximum extent permitted by applicable law, Rodda Paint expressly disclaims and in no event shall be responsible for any liability for any incidental, special, indirect or consequential damages for any reason.

Rodda Paint reserves the right to determine the specific cause of any paint film premature failure. Except for the limited warranty expressly provided as described to the maximum extent permitted by applicable law, Rodda Paint disclaims all other warranties.

All claims must be submitted in writing and accompanied by original proof of purchase. Claims may be made at the Rodda Paint location where the product was purchased or mailed to the address below.
