The Rodda Paint Difference

Lasyn Premium Interior Latex with its Excellent Hide & Coverage, Outstanding Touch-Up, Easy Washability and Stain & Scrub Resistance has been the generational favorite of Professionals & Homeowners in the Northwest!

Description:

A premium interior latex that has been providing a high quality, professional, durable finish in the Northwest markets for generations.

Lasyn was designed for long term service life with great washability and stain & scrub resistance making it a homeowner's favorite over the years.

Excellent hide & coverage with a durable premium finish is why Lasyn is specified by architects for commercial projects that require formal, industry quality approvals.

Outstanding touch-up, low odor during application, and superior flow & leveling with minimal spatter for easy clean-up add to the reasons why Lasyn is the Professionals preferred choice.

"We started using Lasyn in the 1970s and continue to still use Lasyn Eggshell today as it is the Gold Standard of paints for us, delivering on the Superior standards that we expect and deliver to our customers."

- Anonymous Customer 1

"Our Customers want quality and that is why we use Rodda Paint's Lasyn on all our projects."

- Anonymous Customer 2
